Adobe Sign | Ingram Micro Asia Pte. Ltd

Adobe Document Cloud is the only productivity solution that integrates Adobe's pioneering PDF technology with the Acrobat and Adobe Sign apps to deliver 100% digital experiences to employees and customers. Give your organisation the power to create and collaborate on documents from anywhere, collect critical signatures with a click and do away with manual processes for good.

Ingram Micro helps businesses fully realize the promise of technology by helping them maximize the value of the technology that they make, sell or use. We enables business partners to operate more efficiently and successfully in the markets they serve.

003

Cash Flow Story

Cash Flow Story helps you improve Profit, Cash Flow & Value in a business. Tools such as the Power of One help unlock the code of a business enabling you to engage with your clients in a way they will understand. We remove accounting jargon where possible and use terms that simply "make sense". Trust us, your clients will love you for it, coming back to you for more. Become a trusted advisor today. Cash Flow Story is simply the easiest and most accessible software available for improving the Profit, Cash Flow and Value of a business.

004

Dedoco

Dedoco's API-first document infrastructure makes it simple and easy for companies to digitally transform their document workflow. Dedoco provides companies with state-of-the-art document workflow, security and data privacy to businesses.

With Dedoco, a company can transmit digital documents quickly and easily through a preferred cloud storage solution or via Dedoco's peer-to-peer encrypted file sharing method. Documents can be checked in real time, anywhere. And clients are assured of privacy as neither Dedoco nor unauthorised parties can view or change a document.

005

DocuSign

DocuSign helps organisations connect and automate how they prepare, sign, act on, and manage agreements. As part of the DocuSign Agreement Cloud, DocuSign offers eSignature, to sign electronically on practically any device, from almost anywhere, at any time. Today, more than 750,000 customers and hundreds of millions of users in over 180 countries use DocuSign to accelerate the process of doing business and to simplify people's lives.

For more information, visit http://www.docusign.com.au/ or call 1800 255 982.

IDEA | BusinessWare Solutions Pte Ltd

BusinessWare Solutions has been CaseWare IDEA's regional distributor since 2001. Our staff have extensive experience using data analytic tools in both an external audit and internal audit environment. We provide not only software sales, but also training in the use of IDEA, and assistance to resolve any confusion or misconception about the IDEA's functionality. We look forward to meeting you at our booth.

Inflo

Inflo is a cloud-based software application incorporating machine learning (AI) and user configuration, offering advanced data analytics capabilities without the need for data science or coding knowledge.

Inflo consists of 10 Modules within 5 product groups, allowing accountants in practice to work more collaboratively with accountants in business to provide more effective and valuable audit services.

Inflo's Digital Audit is the accounting professions first audit solution designed for the modern, digital business world. It combines unparalleled data acquisition, embedded client collaboration, progressive data analytics and dynamic reporting with a proprietary methodology and work papers solution – all in one platform.

Progreso Networks & Security Pte Ltd

"Incorporated in 2004, Progreso Networks & Security is a Value-Added Distributor (VAD) that provides virtual communication, network, cybersecurity solutions and professional services. For virtual communication solutions, we provide pConnect Private Cloud IP-PBX (powered by 3CX), a user-friendly softphone that allows you to manage calls and conduct video conferencing meetings from your desktop browser (Mac and Windows) and smartphone apps (Android and iOS). With pConnect, companies can slash telco costs, increase productivity and mobility, and enhance customer experience.

For more information, visit http://pconnect.progreso.com.sg/voice-solutions/. For sales enquiries, email sales.team@progreso.com.sg"

ProKorp Systems Pte. Ltd
